OF COLORADO, L.L.C.
INTEROFFICE CORRESPONDENCE

DATE: October 28, 1997
TO: Distribution
FROM: E. P. Schweinsberg, Work Authorization Team Manager, Bldg. 779, X5839
SUBJECT: SIGNATURE AUTHORITY FOR WSRIC DOCUMENT MODIFICATION REQUESTS - EPS-101

Effective immediately, M. H. Conilogue shall have Operations Manager signature authority for all Document Revision Requests affecting any Building 779 Project Waste Stream Residue Identification & Characterization Books.

In addition, M. H. Conilogue shall have both Operations Manager and Unit Owner signature authority for all additions/modifications/relocations/custodial changes related to any Resource Conservation and Recovery Act (RCRA) and/or Toxic Substances Control Act (TSCA) regulated units associated with the Building 779 Project.

Copies of said revisions will be maintained in the Building 779 Environmental Technical Advisor Central File (i.e. "Building Book").

Please contact me should you have any questions in this matter.
